The ESS Utumishi (Watumishi Portal) is an online platform for Tanzanian public servants to access employment details, salary slips, leave applications, and service records. This guide covers the registration process, login steps, password reset, and key features of the portal and PEPMIS. By using ESS Utumishi, employees can manage their work efficiently without visiting government offices. Learn how to navigate the portal, solve common issues, and maximize its benefits. Stay updated with the latest ESS Utumishi features and improvements.
